

More than half of Canadian adults do not have a financial plan and a written will.

Are you ready for tomorrow—or even for today?

We care about families and their Biblical understanding of financial matters,  
and we want to help you plan effectively for the future.

We recognize the need for a diverse set of tools to help you establish and maintain  
healthy stewardship while achieving godly goals in all aspects of your family life.

Your church is partnering with PAOC Stewardship Services to present a life transforming  
event called **Radical Stewardship**. This informative seminar will offer individuals and  
families the opportunity to learn and implement deep-rooted biblical principles  
that will help you honour God in every area of your life.
